

PART 1

Read the text below and complete the exercises that follow.

Ma journée typique commence à sept heures du matin, quand je me réveille.

A 7h15, je prends mon petit-déjeuner. En général, c'est un verre de jus d'orange, un yaourt et une banane. Et parfois un café quand je suis fatiguée. Après le petit-déj, autour de 7h30, je prends ma douche en écoutant la radio.

A 8h, je commence le travail. Je travaille à la maison, je suis architecte. Je travaille beaucoup sur mon ordinateur, pour créer des dessins. J'ai aussi besoin de beaucoup d'espace sur mon bureau.

A midi, je prends ma pause pour le déjeuner. Je vais tous les jours marcher quinze minutes dans le parc juste à côté de chez moi.

L'après-midi, je travaille jusqu'à 17h. Quand je termine le travail, je prépare le dîner et je sors un peu. J'adore aller au cinéma ou voir des amis pour prendre un verre.

Ça c'est mon quotidien du lundi au vendredi. Le week-end, c'est sport et repos !
